INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Rebuilding Together Silicon Valley:

We have audited the accompanying statements of financial position of Rebuilding Together Silicon Valley (a nonprofit organization) as of July 31, 2010 and 2009, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the management of Rebuilding Together Silicon Valley. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rebuilding Together Silicon Valley as of July 31, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with generally accepted accounting principles in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule 1 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we express no opinion on it.

REBUILDING TOGETHER SILICON VALLEY

Notes to Financial Statements

July 31, 2010 and 2009

(1) Summary of significant accounting policies

(a) Organization and nature of activities

Rebuilding Together Silicon Valley, formerly known as Christmas in April - South Bay (the Organization), is a local volunteer organization that rehabilitates the houses of low-income homeowners and repairs nonprofit facilities, at no cost to the recipient.

(b) Cash and cash equivalents

The Organization considers all highly liquid investments with an original or remaining maturity of three months or less time of purchase to be cash equivalents.

(c) Revenue and support

Revenue consists of sponsorship, contributions, non-sponsorship, grants and in-kind donations of services and materials. Sponsorship, contributions and grants are unconditional and available for unrestricted use. Program expenses for the projects in which they relate offset in-kind donations. All revenue is recognized in the period for which it is received.

(d) Contributions receivable

The Organization considers contributions receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they are charged to bad debt expense when that determination is made by management. Collections on accounts previously written off are included in other income as received.

(e) Property and equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. Depreciation is provided on a straight-line basis over the life of the assets ranging from three years to five years.

(1) Summary of significant accounting policies - continued

(f) Concentrations of credit risk

Financial instruments that potentially subject the Organization to concentration of credit risk consist primarily of cash and cash equivalents held in bank and brokerage accounts. The Organization uses only high quality financial institutions for its banking relationship. However the amount of cash deposited in the banks and brokerages is in excess of FDIC insurance limits. The amount of cash in excess of FDIC insurance limits amounted to approximately \$230,000 and \$230,000 for the years ended July 31, 2010 and 2009, respectively. Various local municipalities, individuals, businesses and trade contractors located in the greater San Francisco Bay Area, provide a majority of the Organizations revenue and support.

(g) Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amount reported in the financial statements and accompanying notes. Actual results could differ from those results.

(h) Income taxes

The Organization is a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code. As such, the Organization has no provision for Federal income taxes in the accompanying financial statements. It is subject to federal and state income tax only on unrelated business income.

(i) Contributions

Under SFAS No. 116, "Accounting for Contributions Received and Contributions Made," whereby contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions. The Organization receives donated services and materials from a variety of corporations, organizations and individuals. These services and materials are directly used in rehabilitation projects of the Organization. In accordance with
